You must ensure that all such information given is complete and accurate. Please take care to answer all questions honestly and to the best of your knowledge.
- You are responsible for all answers or statements that you make when arranging the insurance, on proposal forms, statements of fact, claim forms or other material documents and you should ensure these are full and accurate.
- If you do not answer the questions correctly at the time of taking out an insurance policy or fail to advise the insurers promptly of changes to the information you have given during the period of insurance, this may invalidate your insurance cover and could mean that part, or all, of a claim may not be paid.
